

PT. Saripati Bumi Nusantara
Malang, East Java, Indonesia
official@saripatibumi.com

PROFILE:

PT. Saripati Bumi Nusantara is a premier exporter from Malang, Indonesia, specializing in high-grade, long-burning premium **hardwood charcoal** tailored strictly to meet global market standards. Our charcoal is meticulously processed using a precise, multi-day carbonization technique (smoking technique) in our **10 industrial-scale kilns**. This ensures a superior product with maximum fixed carbon, minimal ash, and a guaranteed high-volume capacity to secure your supply chain consistently.

We operate with a strong commitment to ethical sourcing, **empowering local communities** while strictly adhering to international environmental and safety standards. Partnering with us means securing an ultra-premium product backed by a highly reliable, socially responsible supplier.
